WVSD has made every effort to keep prices at a minimum. For the last three years we have not raised league fees even though WVSD was facing incredible increases in our expenses particularly as they relate to gas, electric and liability insurance coverage. With yet another substantial increase in all of these areas for this year we can no longer avoid an increase in league fees. League fees this year will be \$825 plus ref fees of \$100. Based on a 12 player roster this years league fees represents an increase of \$8 per player or less than \$1 per game per player Please remember all pricing includes **10 week** leagues.
